

InSights Art Ceremony

31st Annual

Juried Art Competition and Exhibition

October 7, 2022

About the APH InSights Art Competition and Exhibit

Each year, the American Printing House for the Blind sponsors APH InSights, an art competition exclusively for legally blind artists of all ages and skill levels. This competition draws entries from across the United States and around the world, furthering our mission of “empowering people who are blind or low vision” by providing a forum for creative individual expression.

Congratulations to All 2022 Participants!
