# Tasks for Today

- Overview of Freedom Scientific training resources for learning JAWS
- Navigate the Freedom Scientific Training page
- Access the JAWS Basic Training material
- Download the JAWS Basic Training bundle
- Access the JAWS training series on the Teaching Resources page
- Tips on where to start when teaching JAWS

# Freedom Scientific Training Resources for Learning JAWS

- JAWS is compatible with third-party applications, such as Microsoft Office, Google Workspace, and web browsers
- Read text and navigate applications using keyboard commands
- Access training resources on the Freedom Scientific Training page
- Use FSReader to access JAWS Basic Training materials in DAISY format
- Download the JAWS Basic Training bundle in MP3 and HTML formats
- Access additional training resources on the Freedom Scientific Teaching Resources page: [www.freedomscientific.com/teachers](http://www.freedomscientific.com/teachers)

# Navigate the Freedom Scientific Training Page

- Visit the Freedom Scientific Training page to find all resources in one place:  
[freedomscientific.com/training](https://freedomscientific.com/training)
- Visit the Training Events page for a list of upcoming webinars:  
[freedomscientific.com/training/freewebinars](https://freedomscientific.com/training/freewebinars)
- Visit the Webinars On Demand page to stream or download archived webinars:  
[freedomscientific.com/training/freewebinars/archivedwebinars](https://freedomscientific.com/training/freewebinars/archivedwebinars)

# Access the JAWS Basic Training Material

1. There are two ways to access the JAWS Basic Training material using FSReader:
  - In the JAWS UI, you can choose **Training** from the **Help** menu, or
  - On the desktop, use the **FSReader** shortcut
2. FSReader opens and the Table of Contents automatically loads. If it does not load, press **CTRL+J** to display the Table of Contents.
3. Navigate to a training book, then press **ENTER** to download or open it.
4. To navigate between training topics and the training content text, press **F6**.
5. To play or pause the audio content, press **CTRL+P**.

**JAWS**®

# Download the JAWS Basic Training Bundle

1. Download the complete JAWS Basic Training as a ZIP file.
2. Extract the MP3 and HTML files to your computer.
3. Optionally, copy the files to your smartphone or mobile device.

ZIP

MP3

HTML

# Access the JAWS Training Series

To access our JAWS Training Series for teachers and AT instructors, visit the Teaching Resources page at [freedomscientific.com/teachers](https://freedomscientific.com/teachers).

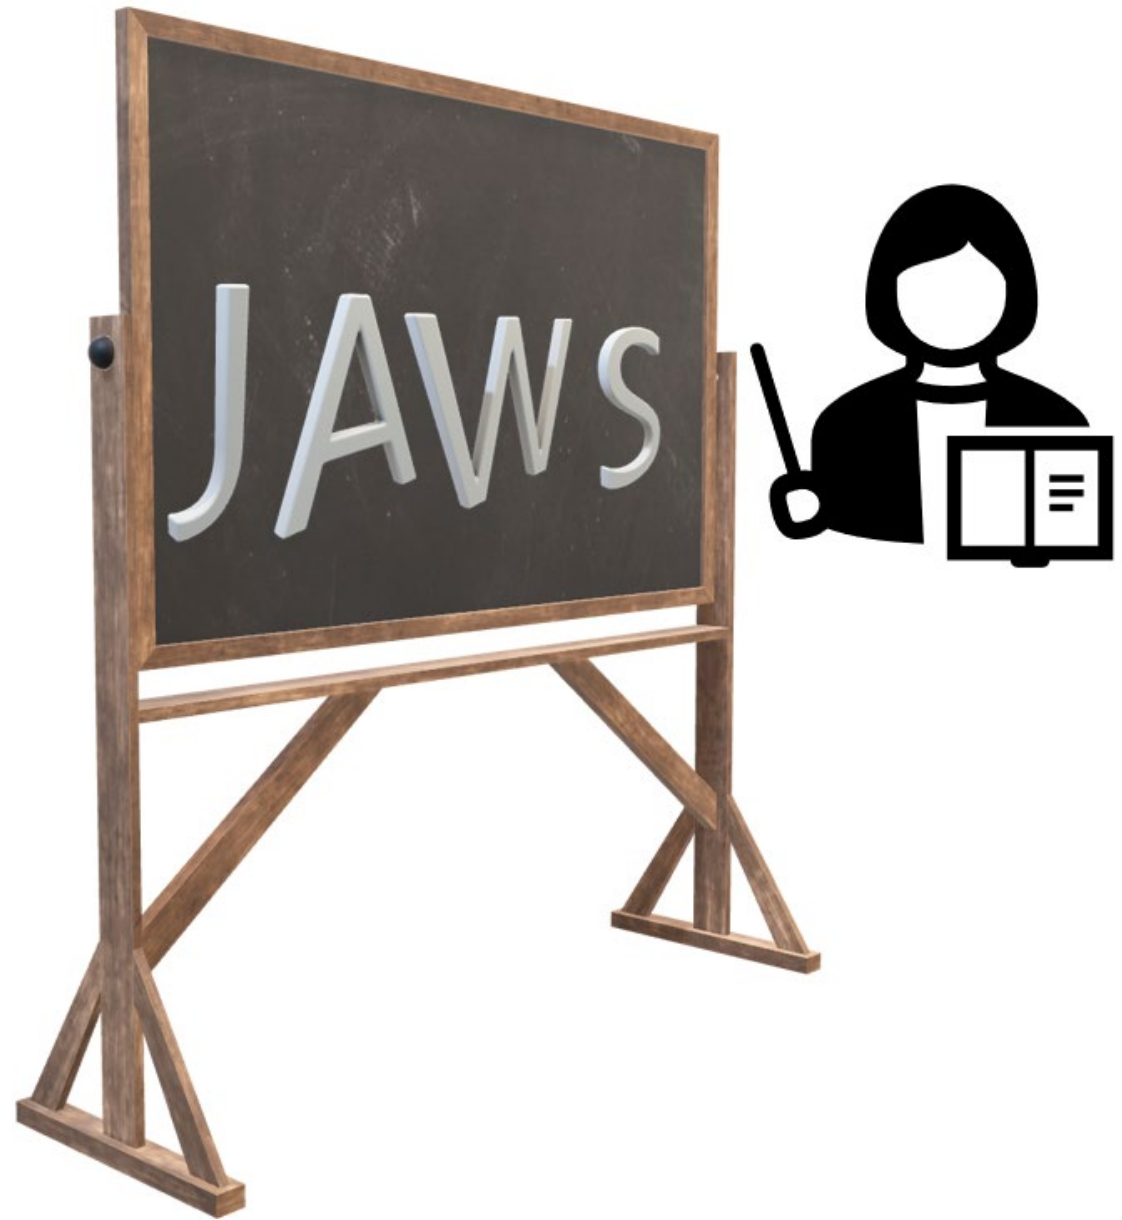

Go to the [Table of Contents](#) for a list of all JAWS training modules and corresponding lessons.

Open each module from the Teaching Resources page or from the Table of Contents.

# Where to Start When Teaching JAWS

- Practice reading and navigation commands in a Word or text document.
- Use tasks that interest students to introduce new concepts.
- Apply each lesson to a practical task.

# Conclusion

Thank you!

- Thank you for joining us for this training on where to start when teaching JAWS.
- Visit our training page at [www.freedomscientific.com/training](http://www.freedomscientific.com/training)
- Send questions or feedback to [training@vispero.com](mailto:training@vispero.com).
